Setra AIR Watch

Portable HEPA & UV-C Air Purifier

Features

- 18" W x 18-1/2" D x 25" H (including wheels)
- Portable with locking casters
- Easy installation
- Circulates air at 350 cubic feet per minute (CFM)
- Quiet (55-58 dBA)
- Instant visual filter clog alert
- Self contained unit with true HEPA filter and UV-C, sanitizes air by neutralizing up to 99.99% effectiveness on virus and bacteria, certified via Nationally Testing Laboratory (NRTL)

Applications

- Classrooms and school nurses offices
- Long-term Care Facilities and Nursing Homes
- Doctor offices or Dentist offices
- Salons and Spas
- Any professional or Healthcare space looking to help keep customers/patients safe

Comprehensive Air Purification Solution

The Setra AIR Watch sterilizes the air via the powerful combination of UVC light to inactivate any harmful aerosols and HEPA filter to remove particles. This 99.99% sterilized air can then be recirculated to help clean contaminated air in any space.

Specifications
